*Chapel*

## From Our Administrator

Dear RCCA Families:

During Chapel this week, joyful tears came streaming down my face. The elementary students began singing "Raise a Hallelujah," and hearing their voices and seeing them worship our Lord was overwhelming in my heart. The fruit of our labor!

We have finished an amazing first full week of school and we are loving every minute of being together! RCCA is committed to nurture, love and pray for your children. We will educate them with excellence, We will help lead them into a personal relationship with Jesus Christ, and strive for spiritual maturity. We are committed to following God's call for their lives. What a blessing!

In Christ,  
Mrs Jeni Chase

See Mrs Ferrill with any questions

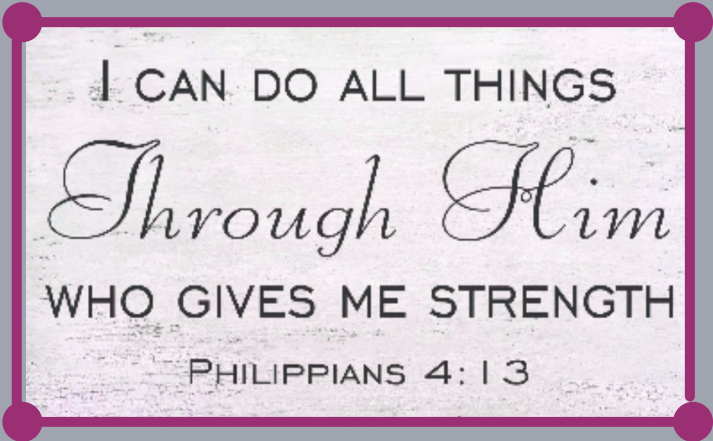

# STAFF Spotlight

## What I love about working at RCCA:

I love the freedom to teach every subject through a Biblical worldview. I love to laugh with my students and watch them grow and learn each day. I love that my coworkers love Jesus, and that we pray with and for each other. It is a beautiful way to spend each day, serving the Lord!

Stacy Ernst  
3rd Grade Teacher  
High School Choir

**Favorite Verse: Philippians 4:13**  
I love this verse, because it reminds me that anything I accomplish is because of His grace and strength, and not my own. It also reminds me that all things are possible!
